

Friday 17th October

This week Hedgehogs experienced their very first Harvest Festival Celebration at the church.

They put so much effort into practising their song 'Big Red Combine Harvester' and learning the actions.

Well done Hedgehogs!

On Wednesday the dental nurse team were back again, this time to check some of the Hedgehogs teeth. Hannah used a torch to carefully look all around the mouth and afterwards children each got a sticker (just like when you go and visit the dentist!)

Hannah also gave each Hedgehog a new toothbrush and mini toothpaste to take home.

This week, Badgers were super during our Harvest Festival. They carefully created plates showing their favourite foods. Then, Eden, Bonnie, Ted, Millie and Alfie explained how and why we had made them. I am super proud of them for being brave in front of such a big audience!

WHAT WAS THE GOAL IN THE TIME ?

Did they go to school?

at all they eat?

if people eat Potage
if people are dear
if people eat Shall Gish.
if people could have no
smaller than a fabbit.

at was the difference between
rich and poor?

if people could not go to
school.

rich people got treated goodly.
poor people got treated badly.
rich girls could go to school.

The boys only went to
school and rich girls.
And the poor girls had to
stay home and do lots of
chores.

The poor's homes were full
Out of animal poo
and lice
The rich people had birds
and wood!

What did they wear in both?

The tubers helmets were
very heavy.
The Plovers could not see
in the helmets.

What were Tudor clothes like?

Rich and poor people didn't wash their clothes much.
The poor didn't have much cloth.
The poor washed once a year and
the rich washed once a month.

[illegible]

What was life like in Tudor times?

What did they eat?

poor people eat things like porridge
honey only in houses built with
apple and nutmeg and shell
fish

What were their homes like?

rich people houses had big
chimneys and glass windows
and brick made beautiful
poor people had mud and stone
poo and wood

Did they go to school?

yes but only boys and it was
very strict they were told and
they used a stick and parchment

What did they wear to school?

they would have to have their hair
cut it and wash it with only cold
water because the poor had
to be strong with their hair
to stay in waves and

What were Tudor clothes like?

rich wore them very well
and they were made of
silk

What was the difference between rich and poor?

rich people could have a toilet in
the kitchen and a secret toilet

Esme

After harvesting our pumpkins and onions, we made pumpkin soup. It was a lovely way to celebrate harvest (even though not everyone was a fan of the soup)!

Following on from the young writers competition last year, Ethan completed an extra challenge in his own time at home. He completed a 1000 word story and it has been published.

Our star of the week is Mason for speaking in front of an audience. He read his prayer beautifully and confidently. Many adults commented on what an achievement that was! Well done!
