Y6 owls did an **awesome** job of drawing the process of germination and presenting the 3 things a seed needs to germinate. They also planted broad beans and garlic. If you look carefully at the soil you will see that the garlic Y5 planted last week has germinated! Y6 took home their pea shoots, dill and coriander plants which grew quite well.

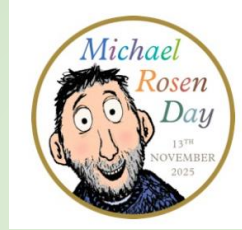

James

Otter Class did brilliantly walking down to the church with our buddies on Tuesday for Remembrance Day! We worked in groups to make some Poppy Wreaths, which we carefully laid as we paid our respects. A massive well done to the rest of St Andrew's too, for their brilliant poems, prayers and drawings.

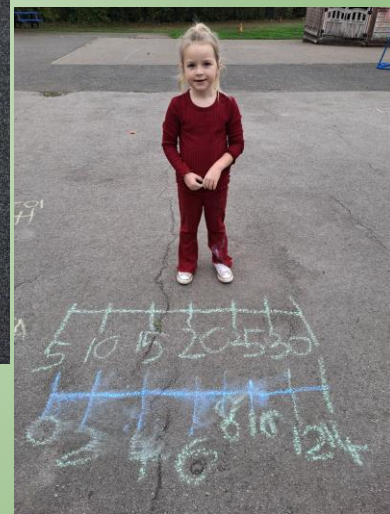

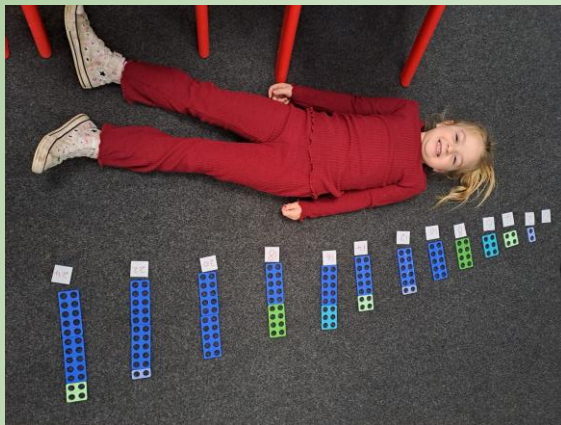

Yesterday was Michael Rosen day. Fox class joined live with schools across the country to participate in a poetry lesson with Michael Rosen himself. Over 310,000 students were watching! During the lesson we heard Michael Rosen read some of his famous food poems, 'Hot Food' and 'Chocolate Cake'. We enjoyed joining in with the repetition, sound effects and actions. We have been inspired to write our own food poems! Watch this space!

Forest school fun!

Robins had fun consolidating their maths knowledge for counting in 2s, 3s, 5s and 10s so we will be terrific at our timestables.

Cross Country at St Peter's School

We had 33 children representing our three Chorus schools. They all ran brilliantly on a challenging course with roughly 40 children in each race. There were a lot of fantastic results with Frank (St G) winning his race and a lot of other top ten finishes.

In year 5 boys the top three were

1. Rhys (W) 2. Huxley (St G) 3. Finnley (St G)
Similarly in the year 4 girls race, the top 3 girls were 1. Daisy (St G) 2. April (St A) 3. Harper (St G). We have a lot of talented runners!!

All the he children were a credit to Chorus, cheering on all of the other athletes. Another special mention, this time to Lewis (St G), who showed a brilliant attitude supporting his teammates despite falling and injuring himself at the start of his own race. Well done everyone... Fantastic effort!

Lastly a big thank you to all the staff who rallied around to transport the children to the event

Foxes enjoyed exploring Remembrance poems in English and they also worked hard to create these beautiful poppy field watercolour paintings, considering depth and distance, which we have been learning about in Art lessons.

Zara particularly impressed us with her delicate petals and brushwork.
