Otters enjoyed reflecting on assembly this week and setting themselves 2026 'goals'. We look forward to reflecting back on them and seeing if we manage to achieve them.

Robins have been learning about the Oceans in Geography. They created some fantastic fact files on the Southern Ocean.

Inspired by Swifts, Foxes created some chalk drawings of this painting by an artist called Daniel Bonnel. They also described what they thought the meaning of the painting was. Arthur blew us away with his idea **'Jesus' arms are the same as the dove. His arms are like wings. He is surrendering to God.'** He used his knowledge from the Bible scripture to make connections to the Trinity. Amazing deep thinking!

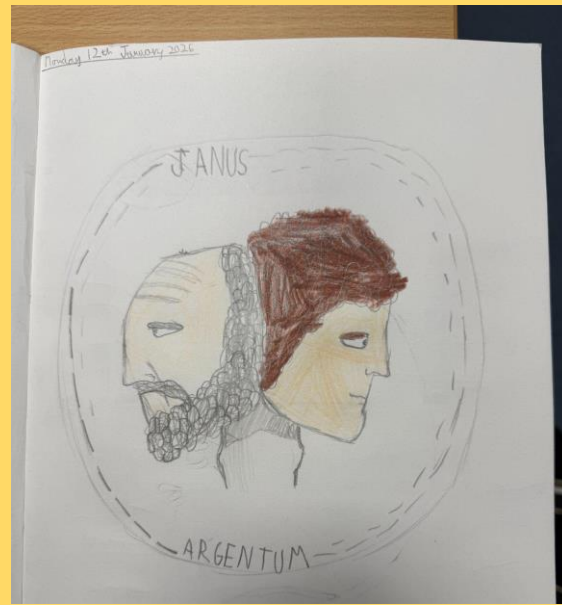

Mrs Carvey's little fox cub is called Rory.  
Welcome to the skulk (fox family)!

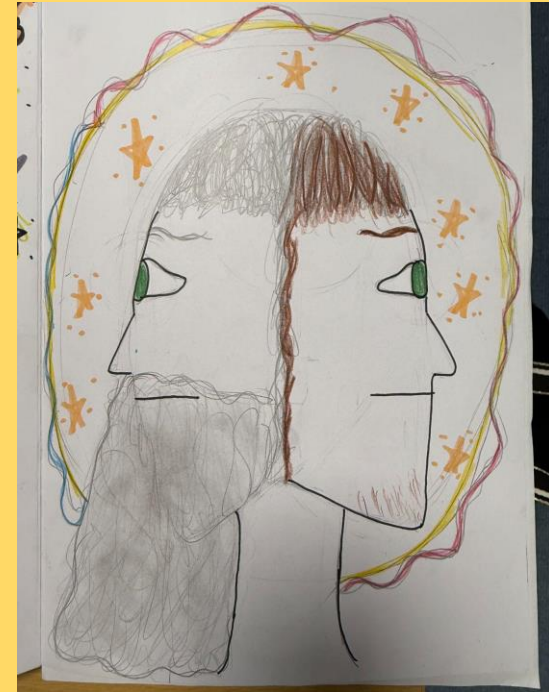

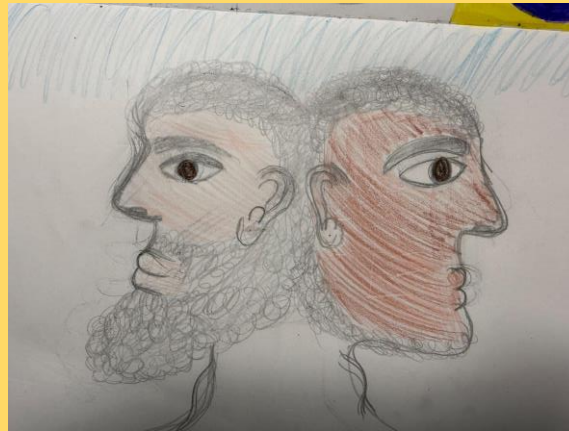

Foxes enjoyed a very wet and muddy forest school session on Tuesday!

Owls were inspired by Mrs Nichols' Assembly and created their own Janus pictures

Baby born at Bethlehem: Is this the Messiah?  
 By: Bethlehem News

In the little town of Bethlehem, a hope of joy was born. Jesus (the new born baby) was born in a stable, many people believe he is the Messiah that was waiting to come "It's a miracle," said by Gerard, a local interpreter.

The birth took place at midnight under the stars of Bethlehem. "It was such a funny story!" said Mary, the mother who gave birth. The father Joseph told me all about it. He said that no one would let them in and they

physically found someone who died, and the only place they could stay was a stable in the back yard. And the word spread around, saying it's he the true Messiah?

In conclusion, is he the true Messiah? Nobody knows, only time can tell...

Owls became news reporters and reported the birth of Jesus in RE.
