This week...

Year 5 have been working with Mrs Sharp in their first Environmental Science session this week. They have been planting, weeding and pruning! They have shown great enthusiasm and gardening skills.

In Maths Robins have been busily sorting and counting! They have been using objects to represent a number, and writing the number and the word. Well done Robins, great work.

Children across all of our Chorus Schools have an online assembly together every Friday morning to celebrate children's achievements. A reminder that the slides can be found on our website: <https://standrews.chorusschools.uk/assembly-news/>

Cost of Living Residents Survey 2025

The rising cost of living continues to affect many people across our communities in different ways. Whether it's the price of food, energy bills, housing costs, or access to essential services, these pressures can have a real impact on everyday life. Braintree District Council have launched a cost of living short survey and are keen to hear directly from residents. To complete the survey click here: <https://www.braintree.gov.uk/xfp/form/727>
