

Friday 17th October

Foxes were inspired by Swifts research about John Blanke last week so looked into another important black Tudor, Jacques Francis. He was employed by Henry VIII to free dive down to the wreck of the Mary Rose to retrieve lost treasures! Fox class have also enjoyed learning the song 'This is me!' and have thought about how we are all different and we should celebrate those differences!

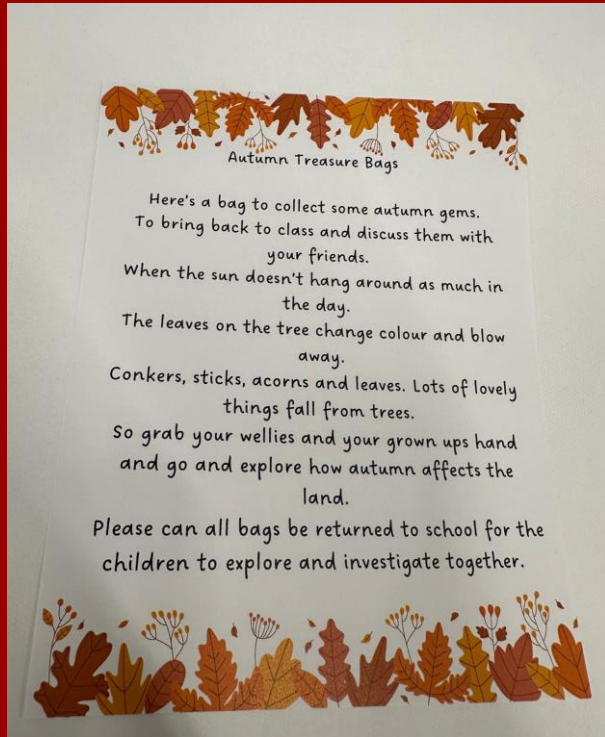

Rennie, Sophia and
Daisy's drawings.

As part of Black History Month, Otters have been thinking about equality and fairness. We talked about the story of Rosa Parks and how it wasn't fair that she was told to give up her seat. Otters started talking about how everyone is the same, no matter what we look like and we started creating this Art project of 'We all fit together'. They have all worked really hard, drawing themselves and the teachers. A massive thank you to some of Owl class for their help; Dylan for drawing the Wethersfield logo, Sydney for the St Andrew's logo, Lexi for the St Giles logo and Leo for the Chorus logo. We hope our display inspires everyone to see that everyone is a part of one big puzzle that fits and works nicely together!

Otters also loved taking home their Autumn treasure bags last Friday, and they came back on Monday with some amazing things to show us! We had a lovely discussion about Autumn, little Otters then used some of the things they found to make some Autumn faces and Year 1s did some lovely writing using rhyming words and adjectives to describe what they had found!

Robins have been curious, helpful and inquisitive with their learning this week. This is a snapshot of what we have been up to.

We have been Mapping the UK and discovering what is in an atlas - we especially loved the flags!

Orla has been a wonderful mini-teacher this week during maths. Well done Orla.

We started to find out about the Hindu Festival of Light, Diwali, and made pinch-pot diyas ready to decorate.
