

Friday 12th December

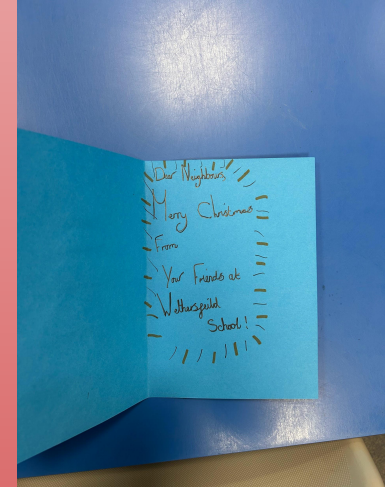

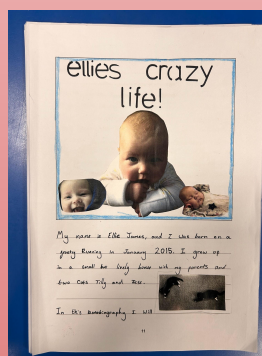

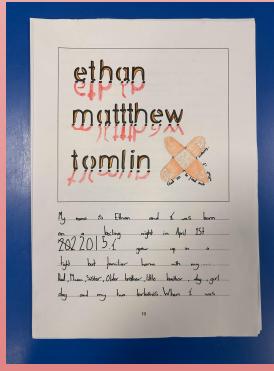

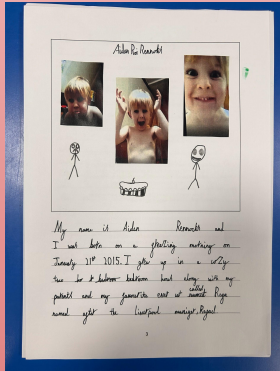

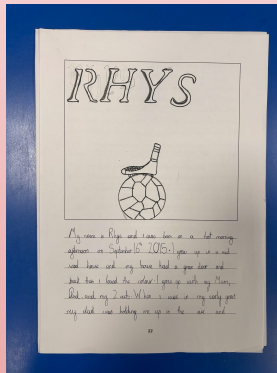

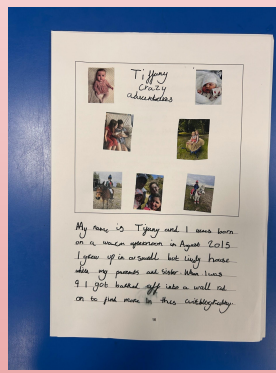

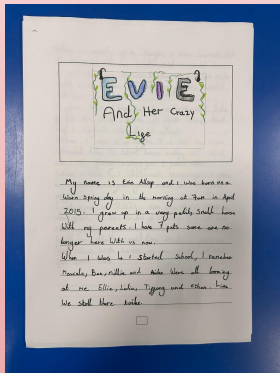

Wren's performance of the nativity "Knock Knock" was nothing short of extraordinary. The children brought the story to life with heart, humour, and an enthusiasm that lit up the entire room. Their confidence on stage, joyful singing, and beautifully delivered lines made the production truly memorable. The result was a performance that left the audience smiling, proud, and thoroughly ready for Christmas. We are so proud of you Wrens.

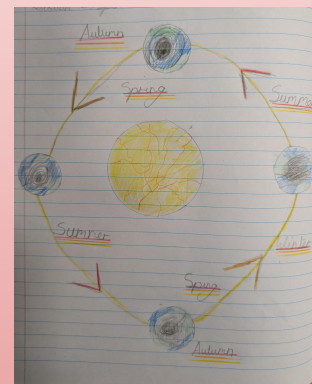

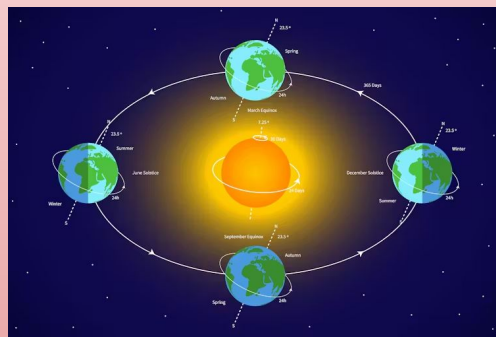

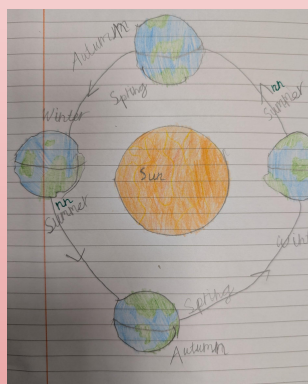

# Kites Class

Kites have been busy creating christmas cards for the elderly residents in the village!

We have finished our Autobiographies which Mr Hindley is sending off to be published into a hardback book today! We have enjoyed writing for a purpose, discussing memories with each other and our adults at home including how we first became friends and lots of other key memories. We also included some photos from home to match these!

It has been a busy week in Swifts. We have been learning about the earth's orbit around the sun, testing our pneumatic rockets and making Christmas cards for the senior citizens of Wethersfield. We are planning to deliver these next week.
